VALVULA

gran Verano
sauvignon blanc
2016

Gran Verano means "great summer" in Spanish. Chile's long, warm summer days and cool summer nights allow the grapes to reach optimal maturation. These wonderful climatic conditions inspired us to name our varietal wines in honor of the summer that allows us to obtain healthy, perfectly ripened grapes year after year. Our Gran Verano Sauvignon Blanc is a lovely fruit forward wine produced in our own vineyards in the heart of Chile's Central Valley.
