MONTES ALPHA M
APALTA VINEYARDS • COLCHAGUA VALLEY • CHILE

This extraordinary wine is our dream come true. Montes Alpha M is an extremely limited production and is offered annually only if our winemaker, Aurelio Montes, believes the quality has been met. Searching for the ultimate and not leaving much to chance, Aurelio goes as far as making a painstaking grape by grape selection. Coming from the finest vines of our “La Finca de Apalta” estate in Colchagua Valley, Montes Alpha M became the icon for other Chilean wineries to challenge. This wine has great cellaring potential, over 20 years.
